FORWARD-LOOKING INFORMATION

Information contained in this Information Circular that is not current or historical factual information may constitute forward-looking information within the meaning of applicable Canadian securities laws. All information other than historical information included in this Information Circular that addresses activities, events or developments that the Company expects or anticipates will or may occur in the future, including without limitation, information regarding any objectives, expectations, intentions, plans, results, levels of activity, goals or achievements is or involves forward-looking information. Although forward looking information contained in this Information Circular is based on what management considers to be reasonable assumptions based on information currently available to it, there can be no assurances that actual events, performance or results will be consistent with this forward-looking information, and management's assumptions may prove to be incorrect. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "anticipates", "assumes", "believes", "budget", "could", "estimates", "expects", "forecasts", "guidance", "indicates", "intends", "likely", "may", "objective", "outlook", "plans", "potential", "predicts", "scheduled", "should", "target", "trends", "will", or "would" or the negative or other variations of these words or other comparable words or phrases. All such forward-looking information is subject to important risks, uncertainties and assumptions. This information is forward-looking because it is based on current expectations, estimates and assumptions. It is important to know that: (i) unless otherwise indicated, forward-looking information in this Information Circular describes expectations as at the date hereof; (ii) actual results and events could differ materially from those expressed or implied in the forward-looking information in this Information Circular, if known or unknown risks affect the business of the Company, or if its estimates or assumptions turn out to be inaccurate; as a result, the Company cannot guarantee that the results or events expressed or implied in any forward-looking information will materialize, and accordingly, you are cautioned not to place undue reliance on this forward-looking information; and (iii) the Company disclaims any intention and assumes no obligation to update or revise any forward-looking information even if new information becomes available, as a result of future events or for any other reason, except in accordance with applicable securities laws. The Company has made a number of assumptions in making forward-looking information in this Information Circular. GENERAL INFORMATION

The information contained in this Information Circular, unless otherwise indicated, is as of October 21, 2021.

This Information Circular is being mailed by management of the Company to everyone who was a shareholder of record of the Company on October 21, 2021 (the "**Record Date**"), which is the date that has been fixed by the Board of Directors of the Company (the "**Board**") as the record date to determine the shareholders who are entitled to receive notice of and to vote at the Meeting.

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of management for use at the annual general meeting of the shareholders of the Company that is to be held on Thursday, December 9, 2021 at 10:30 a.m. (Vancouver time) at Main Boardroom, Suite 615 – 800 West Pender Street, Vancouver, BC V6C 2V6. The solicitation of proxies will be primarily by mail. Certain employees, officers or directors of the Company may also solicit proxies by telephone, email or in person. The cost of solicitation will be borne by the Company.

As referenced in the Notice of Meeting, as part of its efforts to reduce the spread of COVID-19 and variants of concern, the Company may change the date, time, location and/or format of the Meeting to electronic or virtual. The Company will issue a press release announcing any such change and take all reasonable steps necessary to

inform all parties involved in the proxy infrastructure, including intermediaries and the Company's transfer agent, of the change. The Company encourages all shareholders to vote by proxy as early as possible and also monitor the Company's public filings on SEDAR for any changes to Meeting arrangements. **Strict limitations on the number of persons permitted entry to the physical meeting location may apply based on current or future federal and provincial restrictions and/or guidelines regarding public gatherings and guests will not be permitted entry.**

The Meeting Materials (as defined below) are being sent to both registered and non-registered owners of the Company's common shares as of the Record Date (each a "**Share**") in accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") and arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to deliver proxy solicitation materials to the beneficial owners of the Shares. The Company may pay the reasonable costs incurred by such persons in connection with such delivery. This year, as described in the notice and access notification (the "**Notice and Access Notice**") mailed to shareholders, the Company will deliver the Meeting Materials to Shareholders by posting the Meeting Materials on <https://www.barksdaleresources.com/investors/agm>. The Meeting Materials will be available on this website as of October 29, 2021, and will remain on the website for one full year thereafter. The Meeting Materials will also be available on SEDAR at www.sedar.com as of October 29, 2021. See "Notice and Access" below.

If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities laws from the Intermediary (as defined below) holding the Shares on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Under the Company's articles (the "**Articles**"), at least one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 5% of the issued Shares entitled to vote must be present at the Meeting before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, the Company will reschedule the Meeting.

PART 1 – VOTING

HOW A VOTE IS PASSED

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or otherwise required, in which case each shareholder is entitled to one vote for each Share held.

In order to approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an "**ordinary resolution**") unless the motion requires a special resolution in which case a majority of 66 2/3% of the votes cast will be required (a "**special resolution**").

WHO CAN VOTE?

Registered shareholders whose names appear on the Company's central securities register maintained by Computershare Investor Services Inc. ("**Computershare**"), the Company's registrar and transfer agent, as of the close of business on October 21, 2021, the Record Date, are entitled to attend and vote at the Meeting. Each Share is entitled to one vote.

If your Shares are registered in the name of a "nominee" (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled "Non-Registered Shareholders" set out below.

HOW TO VOTE

If you are a registered shareholder and eligible to vote, you can vote your shares in person at the Meeting or by signing and returning the accompanying form of proxy (the "**Proxy**") by mail in the return envelope provided or vote by telephone or using the Internet as indicated on the form. Please see "Registered Shareholders" below.

If your shares are not registered in your name but are held by a nominee (usually a bank, trust company, securities broker or other financial institution), please see “Non-Registered Shareholders” below.

REGISTERED SHAREHOLDERS

Voting Instructions:

- complete, date and sign the Proxy and return it to Computershare by mail or hand delivery to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1.
- using the telephone, call 1-866-732-VOTE (8683) toll free and follow the prompts. You will need your 15 digit control number found at the bottom of the first page of the Proxy to vote by telephone.
- log on to Computershare’s website at www.investorvote.com and following the instructions given on the website. You will need to insert your 15 digit control number found at the bottom of the first page of the Proxy to vote by the Internet.

Whichever method you choose, the Proxy must be received or voting instructions completed at least forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment thereof. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

If you plan to vote in person at the Meeting do NOT complete and return the Proxy. Instead, you will need to register with Computershare when you arrive at the Meeting and your vote will be taken and counted at the Meeting. If your Shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders are “non-registered shareholders” (“**Non-Registered Holders**”) because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Shares (including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRI’s, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company has distributed copies of the Notice of Meeting, the Notice and Access Notice, this Information Circular and the Proxy or voting instruction form, as applicable, (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. This year, the Company has decided to use notice and access to deliver the Meeting Materials to Shareholders. The Meeting Materials will be available on <https://www.barksdaleresources.com/investors/agma> as of October 29, 2021, and will remain on the website for one full year thereafter. The Meeting Materials will also be available on SEDAR at www.sedar.com as of October 29, 2021. All Shareholders will receive a Notice and Access Notice which will contain information on how to obtain electronic and paper copies of the Meeting Materials in advance of the Meeting. See “Notice and Access” below.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders and seek voting instructions unless in the case of certain proxy-related materials the Non-Registered Holder has waived the right to receive them. The majority of Intermediaries now delegate responsibility for obtaining instructions from Non-Registered Holders to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form or “VIF” to Non-Registered Holders and asks Non-Registered Holders to return the VIF to Broadridge in accordance with its instructions. Alternatively, where applicable, a Non-Registered Holder may go online to www.investorvote.com or call 1-866-732-VOTE (8683) toll free to vote or return the completed and signed VIF directly to Computershare as provided above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. However, without specific voting instructions, Intermediaries and their agents and nominees are prohibited from voting shares for their clients. **Accordingly, each Non-Registered Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting so that your nominee has enough time to submit your instructions to us.**

A Non-Registered Holder cannot use the VIF provided to vote directly at the Meeting. Should a Non-Registered Holder wish to attend and vote at the Meeting in person, the Non-Registered Holder must insert his or her name (or the name of such other person as the Non-Registered Holder wishes to attend and vote on his or her behalf) in the blank space provided for that purpose on the VIF and return the completed VIF in accordance with the instructions provided well in advance of the Meeting. If you bring your VIF to the Meeting, your vote will NOT count.

Only registered shareholders have the right to revoke a proxy. Non-Registered Holders of Shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out below. See “Revocation of Proxies”.

You May Choose Your Own Proxyholder

The persons named in the Proxy are directors or officers of the Company. **YOU HAVE THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON YOUR BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS. TO EXERCISE THIS RIGHT, YOU MUST STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS AND INSERT THE NAME OF YOUR NOMINEE IN THE SPACE PROVIDED OR COMPLETE ANOTHER PROXY.**

Your Voting Instructions

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an “X” in the appropriate space. On any poll requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the Shares represented by the Proxy in favour of the motion.**

The Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and other matters which may properly come before the Meeting. **It is the intention of the persons designated in the Proxy to vote in accordance with their best judgement on such matters or business.** At the time of printing of this Information Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting.

The Proxy must be dated and signed by the shareholder or the shareholder’s attorney authorized in writing. In the case of a corporation, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be deposited with Computershare in accordance with the above instructions before the time set out in the Proxy. Non-Registered Holders must deliver their completed VIF in accordance with the instructions given by the Intermediary that forwarded the VIF to them.

In order to be effective, a Proxy must be deposited at the office of Computershare, no later than 10:30 a.m. (Vancouver Time) on Tuesday, December 7, 2021 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting. The deadline for the deposit of Proxies may be waived by the Chairman of the Meeting at his or her sole discretion without notice. Failure to properly complete or deposit a Proxy may result in its invalidation.

Revocation of Proxies

Only registered shareholders have the power to revoke Proxies previously given. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) executed by the shareholder or by the shareholder's attorney authorized in writing and in the case of a corporation, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and either delivered at any time up to the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, to:

Barksdale's Head Office		Computershare Investor Services Inc.	
Suite 615 – 800 West Pender Street Vancouver, B.C. V6C 2V6 Canada	Or	8 th Floor - 100 University Avenue Toronto, Ontario M5J 2Y1	
Or deposited with the Chairman of the Meeting on the day of the Meeting, prior to the hour of commencement			

Non-Registered Holders of Shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out above.

UNITED STATES SHAREHOLDERS

This solicitation of proxies involves securities of a corporation incorporated in Canada and is being effected in accordance with the corporate laws of the province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of the provinces of Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), the majority of its directors and executive officers are residents of Canada and a significant portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a

foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares without par value. All issued Shares are entitled to be voted at the Meeting and each has one vote. As of October 21, 2021 there were **64,838,754** Shares issued and outstanding.

Only those shareholders of record on October 21, 2021 will be entitled to vote at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, or exercises control or direction, directly or indirectly, over Shares carrying 10% or more of the voting rights attached to all outstanding Shares of the Company which have the right to vote in all circumstances.

PART 3 - THE BUSINESS OF THE MEETING

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended March 31, 2021 will be placed before you at the Meeting. A copy of these financial statements, together with the auditor's report thereon, and management's discussion and analysis, were mailed to those shareholders who indicated that they wished to receive same in response to the Company's annual and interim financial statement request inquiry mailed to shareholders in connection with the Company's last annual general meeting held on November 10, 2020. These financial statements and MD&A are also available for review under the Company's profile on SEDAR at www.sedar.com. See Part 8 "OTHER INFORMATION – Additional Information" below.

ELECTION OF DIRECTORS

Directors of the Company are elected for a term of one year. Management proposes to nominate the persons named under the heading "*Nominees for Election*" below for election as directors of the Company. Each director elected will hold office until the next annual general meeting or until his successor is duly elected or appointed, unless his office is earlier vacated in accordance with the Articles of the Company or he becomes disqualified to act as a director.

It is proposed to set the number of directors at five (5). This requires the approval of the shareholders of the Company by an ordinary resolution. Accordingly, at the Meeting the shareholders will be asked to consider, and if deemed advisable, to pass the following resolution:

"RESOLVED, as an ordinary resolution, THAT the number of directors of the Company for the ensuing year be set at five"

The Board of the Company presently consists of five (5) directors to be elected annually. At the Meeting, it is proposed to maintain the number of directors elected at five (5) directors to hold office until the next annual general meeting or until their successors are duly elected or appointed. The Company has nominated the five (5) nominees whose names are set forth below for election as directors of the Company at the Meeting. Management does not contemplate that any of such nominees will be unable to serve as a director; however, if that should occur for any reason prior to the Meeting, the persons named in the enclosed Proxy shall have the right to vote for another nominee in their discretion.

The following table and notes thereto state the names, provinces/states and countries of residence of all persons proposed to be nominated for election as directors, the date on which each of them first became a director of the Company, all positions and offices with the Company held by each of them, the principal occupation or employment of

Save as set out below, as of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, within ten years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity:

- (b) was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days;
- (c) was subject to an event that resulted, after the director or executive officer ceased to be director or executive officer, in the company being subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (d) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. O’Neill is a director of Sanibel Ventures Corp., a capital pool company that was suspended from trading by the TSX Venture Exchange (the “**TSXV**” or “**Exchange**”) on July 30, 2020 for failure to complete a qualifying transaction within 24 months of its listing.

Penalties or Sanctions

As of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority or been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor making an investment decision.

Personal Bankruptcy

As of the date of this Information Circular, no proposed nominee for election as a director of the Company has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation

relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Conflicts of Interest

Certain of the directors are currently, or may in the future become, involved in managerial or director positions with other issuers, both reporting and non-reporting, whose operations may, from time to time, be in direct competition with those of the Company or with entities which may, from time to time, provide financing to, or make equity investments in, competitors of the Company.

The directors are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, the directors will consider, among other things, the degree of risk to which the Company may be exposed relative to the potential reward and its financial position at that time.

In addition, the directors of the Company also have other employment or other business or time restrictions placed on them and accordingly will only be able to devote part of their time to the business and affairs of the Company.

Save as aforesaid, to the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests.

Advance Notice Policy

The Articles contain advance notice provisions with a view to providing shareholders, directors and management of the Company with a fair and transparent procedure for nominating directors. The advance notice provisions establish a deadline on or before which holders of record of Shares must submit, in writing, director nominations to the Company prior to any annual general or special meeting of shareholders, and the information that such holder(s) must include with such nominations in order for any director nominee to be eligible for election at any annual general or special meeting of shareholders. A copy of the Company's Articles are available for review under the Company's profile on SEDAR at www.sedar.com. As of the date of this Information Circular, the Company has not received notice of any additional director nominations in connection with the Meeting.

ANNUAL RATIFICATION OF STOCK OPTION PLAN

Policy 4.4 of the TSXV specifies that all listed issuers must implement a stock option plan. The Company's current stock option plan, which was adopted on December 13, 2017 (the "**Stock Option Plan**") is a "rolling" plan as characterized by TSXV policy pursuant to which the aggregate number of Shares reserved for issuance thereunder may not exceed, at the time of grant, in aggregate 10% of the Company's issued and outstanding Shares from time to time. TSXV policy requires that shareholder approval for "rolling" stock option plans must be obtained annually.

The principal purposes of the Stock Option Plan are to provide the Company with the advantages of the incentive inherent in share ownership on the part of those persons responsible for the success of the Company; to create in those persons a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage such persons to remain with the Company; to attract new talent to the Company; and to reduce the cash compensation the Company would otherwise have to pay.

The material terms of the Stock Option Plan are as follows:

1. The number of Shares subject to each option is determined by the Board, or if appointed, by a special committee of directors appointed from time to time by the Board, provided, at the time the options are granted, that:
 - (a) the number of Shares subject to option, in the aggregate, shall not exceed 10% of the Company's then issued shares;
 - (b) no more than 5% of the issued Shares of the Company may be granted to any one optionee in any 12 month period (unless the Company has obtained "disinterested" shareholder approval);
 - (c) no more than 2% of the issued Shares of the Company may be granted to any one consultant in any 12 month period; and
 - (d) no more than an aggregate of 2% of the issued Shares of the Company may be granted to persons employed to provide "investor relations activities" in any 12 month period.
2. The exercise price of the options cannot be set at less than the last closing price of the Company's Shares on the stock exchange on which the Shares of the Company are then listed before the date on which the options are granted by the Company, less the maximum allowable discount from market as may be permitted under the policies of such exchange, if any, or such other minimum exercise price as may be required by such exchange.
3. The options may be exercisable for a period of up to 10 years.
4. All options are non-assignable and non-transferable and, if granted to "insiders" or at an exercise price less than market, will be legended with a four month TSXV hold period commencing on the date the stock options are granted.
5. The options shall be subject to such vesting requirements, if any, as may be determined by the Board from time to time provided that options granted to consultants performing "investor relations activities" must vest in stages over at least 12 months with no more than 1/4 of the options vesting in any three month period.
6. Reasonable topping up of options granted to an individual will be permitted.
7. The option can only be exercised by the optionee and only so long as the optionee is a director, officer, employee or consultant of the Company, any of its subsidiaries or a management company employee or within a reasonable period of time, not to exceed one year, after the optionee ceases to be in at least one of such positions to the extent that the optionee was entitled to exercise the option at the date of such cessation.
8. In the event of death of an optionee, the option previously granted to him or her shall be exercisable as to all or any of the Shares in respect of which such option has not previously been exercised at the date of the optionee's death (including the right to purchase Shares not otherwise vested at such time), by the legal representatives of the optionee at any time up to and including (but not after) a date one year following the date of death of the optionee or the expiry time of the option, whichever occurs first.
9. In the event a take-over bid or tender offer is made for the common shares of the Company, the Board may, subject to the acceptance of the TSXV, permit all options outstanding to become immediately exercisable in order to permit the shares issuable under such options to be tendered to such bid or offer.
10. Disinterested shareholder approval for any reduction in the exercise price of a previously granted option shall be obtained prior to the exercise of such option if the optionee is an "insider" of the Company at the time of the proposed reduction.

The full text of the Stock Option Plan is available for review on SEDAR under the Company's profile at www.sedar.com.

At the Meeting, the shareholders will be asked to consider, and if deemed advisable, to pass the following resolutions:

1. the Company's stock option plan adopted December 13, 2017 (the “Stock Option Plan”), be and is hereby ratified, confirmed, authorized and approved;
2. the reservation under the Stock Option Plan of up to a maximum of 10% of the issued shares of the Company, on a rolling basis, as at the time of granting of the stock option pursuant to the Stock Option Plan be and the same is hereby authorized and approved; and
3. any one director or officer of the Company be and is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents, agreements and instruments, and to do all such acts and things as such director or officer may determine to be necessary or advisable to give effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such documents, agreements or instruments or the doing of any such act or thing.”

Stock Option Plans and Other Incentive Plans

The Company's Stock Option Plan for directors, officers, employees and consultants of the Company is a 10% "rolling" stock option plan in accordance with the policies of the TSXV and applicable securities legislation. The principal purposes of the Stock Option Plan are to provide the Company with the advantages of the incentive inherent in share ownership on the part of those persons responsible for the success of the Company; to create in those persons a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage such persons to remain with the Company; to attract new talent to the Company; and to reduce the cash compensation the Company would otherwise have to pay. See Part 3 "THE BUSINESS OF THE MEETING – *Annual Ratification of Stock Option Plan*" above for details of the material terms of the Stock Option Plan. As at March 31, 2021, there were a total of 6,326,028 stock options outstanding under the Stock Option Plan.

There are currently no other equity or non-equity incentive plan awards in place for the Company's Named Executive Officers or directors.

Employment, Consulting and Management Agreements.

Effective September 1, 2018, the Company entered into an employment agreement with Rick Trotman (the "**Trotman Agreement**") to act as the Company's President and Chief Executive Officer on a full time basis at an annual salary of \$174,000 (\$14,500 per month) to be reviewed annually.

Effective September 1, 2018, the Company entered into a consulting agreement with a private company controlled by Michael Waldkirch (the "**Waldkirch Agreement**") to provide, on an independent contractor basis, accounting and financial management services to the Company, at an annual base fee of \$72,000 (\$6,000 per month) (effective January 1, 2021, the annual base fees were amended to \$102,000 (\$8,500 per month)) to be reviewed annually, plus reasonable additional fees for preparing the Company's annual year-end financial statements. In conjunction with the Waldkirch Agreement, Michael Waldkirch acts as the Chief Financial Officer of the Company.

Each of the Trotman Agreement, the Waldkirch Agreement and the Welyki Agreement provides for termination payments in certain circumstances. In the case of Mr. Trotman, he will be entitled to receive a lump sum termination payment equal to two times his annual base salary plus bonus in the event he is terminated without cause or upon a change of control of the Company. In the case of Mr. Waldkirch, he will be entitled to receive a lump sum termination

payment equal to one times his annual base fee plus bonus in the event he is terminated without cause or upon a change of control of the Company. In the case of Ms. Welyki, she will be entitled to receive a lump sum termination payment equal to one month's salary for each full year that Ms. Welyki has been employed by the Company as of the date of termination up to a maximum of six months' base salary in the event she is terminated without cause and six months' base salary in the event Ms. Welyki terminates her employment for a "triggering event" following a change of control of the Company.

The following table sets out the estimated incremental payments payable to each Named Executive Officer of the Company that would be triggered by, or result from, a change of control, severance, termination or constructive dismissal as of March 31, 2021. Oversight and Description of Director and Named Executive Officer Compensation

Director Compensation

Currently, the Company pays its non-executive directors an annual fixed fee of \$8,000, with additional annual fees of \$4,000 paid to the Chairman of the Board, \$2,500 paid to the Chair of the Audit Committee, and \$1,000 paid to the Chair of the Joint Compensation and Corporate Governance Committee. See the table of compensation, excluding compensation securities, under the heading "*Director and Named Executive Officer compensation, excluding compensation securities*" above for details of the fees paid to the Company's non-executive directors during the financial years ended March 31, 2021 and 2020.

The non-executive directors are also entitled to receive incentive stock options from time to time in accordance with the terms of the Stock Option Plan and the policies of the Exchange. The granting of incentive stock options provides a link between director compensation and the Company's share price. It also rewards directors for achieving results that improve Company performance and thereby increase shareholder value. In making a determination as to whether a grant of long-term incentive stock options is appropriate, and if so, the number of options that should be granted, the Board will consider, inter alia, the number and terms of outstanding incentive stock options held by each director; the value in securities of the Company that the Board intends to award as compensation; the potential dilution to

shareholders and the cost to the Company; general industry standards; and the limits imposed by the terms of the Stock Option Plan and the Exchange. Any “interested” director who is being considered for the grant of an option by the Company is required to declare his interest in such grant and abstain from voting thereon.

The granting of incentive stock options also allows the Company to reward the directors’ efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Stock Option Plan, which are described under “*Stock Option Plans and Other Incentive Plans*” above.

See the table of compensation securities, under the heading “*Stock Options and Other Compensation Securities*” above for details of the stock options granted to the Company’s non-executive directors during the fiscal year ended March 31, 2021.

The directors may also be reimbursed for actual expenses reasonably incurred by them in the performance of their duties as directors.

Named Executive Officer Compensation

The Company’s policies on compensation for its Named Executive Officers are intended to provide appropriate compensation for executives that is internally equitable, externally competitive and reflects individual achievements in the context of the Company. The overriding principles in establishing executive compensation provide that compensation should:

- (a) reflect fair and competitive compensation commensurate with an individual’s experience and expertise in order to attract and retain highly qualified executives;
- (b) reflect recognition and encouragement of leadership, entrepreneurial spirit and team work;
- (c) reflect an alignment of the financial interests of the executives with the financial interest of the Company’s shareholders;
- (d) include stock options and, in certain circumstances, bonuses to reward individual performance and contribution to the achievement of corporate performance and objectives;
- (e) reflect a contribution to enhancement of the Company’s shareholder value; and
- (f) provide incentive to the executives to continuously improve operations and execute on corporate strategy.

Goals and Objectives

During the financial year ended March 31, 2020, the Board established a joint compensation and corporate governance and nomination committee (the “**CCGNC Committee**”) responsible for, inter alia, assessing and making recommendations to the Board with respect to the compensation (including long-term incentive in the form of stock options) to be granted to the Company’s executive officers and directors to ensure that such compensation reflects the responsibilities and risks associated with each position. The CCGNC Committee is currently comprised of Peter McRae (Chair), Darren Blasutti, and William Wulftange, all of whom are independent directors of the Company, and governed by a CCGNC Committee Charter.

The CCGNC Committee reviews, on an annual basis, the corporate goals and objectives relevant to executive compensation, evaluates each executive officer’s performance in light of those goals and objectives and recommends, in consultation with the CEO, each executive officer’s compensation level based, in part, on such evaluation. The CEO does not make recommendations to the CCGNC Committee in respect of his own compensation. The CCGNC Committee takes into consideration the Company’s overall performance including the advancement of existing mineral properties, acquisition of new prospects and successful financing initiatives, shareholder returns and the awards given to executive officers in past years. The CCGNC Committee also reviews the value of similar incentive awards to executive officers at comparable junior resource companies with a view to ensuring that the Company’s executive compensation levels are externally competitive.

The CCGNC Committee is also responsible for ensuring that the Company has in place an appropriate plan for executive compensation and for making recommendations to the Board with respect to the compensation of the

Company's NEOs to ensure that total compensation paid to all NEOs is fair, reasonable, and consistent with the Company's compensation philosophy aimed at attracting and retaining quality and experienced people critical to the success of the Company and its commitment to delivering strong performance for the shareholders.

Executive Compensation Program

Executive compensation is comprised of three elements: base salary or fee, short-term incentive compensation (discretionary cash bonuses) and long-term incentive compensation (share options). The CCGNC Committee reviews all three components in assessing the compensation of individual executive officers and of the Company as a whole.

1. Base Salaries and Fees

Base salaries or fees are intended to provide current compensation for executive officers to meet the Company's goals and remain competitive within the industry while reflecting each executive officer's individual level of skill, expertise and capability. Such salaries or fees represent fixed compensation for job responsibilities and are not subject to uncertainty or share price performance thereby encouraging NEOs to not focus exclusively on share price performance to the detriment of other critical business metrics.

2020 - 2021 Compensation

Effective September 1, 2018, the Board, in consultation with the Company's CEO, reviewed the individual job responsibilities and level of skills, expertise and capabilities demonstrated by the Company's NEOs and recommended increases in the base salaries/fees paid to its then NEOs as follows:

Name of NEO	Position	Annual Base Salary/Fees
Rick Trotman	President and CEO	\$174,000
Michael Waldkirch	CFO	\$102,000 effective January 1, 2021

The CEO did not make a recommendation to the Board with respect to his own base salary. In making such increases the Board also reviewed compensation levels paid to executive officers by other junior resource companies listed on the Exchange or other exchanges considered by the Board to be comparable to the Company in terms of overall size, market capitalization, share price and asset base with a view to targeting base salaries/fees of the Company's NEOs at median peer group compensation levels.

During the financial year ended March 31, 2020, the CCGNC Committee was established to, inter alia, review and make recommendations to the Board regarding all forms of compensation for executive officers and directors. In light of the recent changes made to executive compensation levels by the Board on September 1, 2018 and current market conditions, save as aforesaid, no changes to executive compensation levels were recommended by the CCGNC Committee or made by the Board during the fiscal year ended March 31, 2020 or March 31, 2021.

2. Short Term Incentives

Executive officers are also eligible to receive discretionary cash bonuses as determined by the Board from time to time based on recommendations from the CCGNC Committee. Discretionary bonuses represent short-term incentive awards which take into consideration each officer's responsibilities, his or her achievement of individual and corporate objectives and the Company's financial performance. Cash bonuses are intended to reward the executive officers for meeting or exceeding the individual and corporate performance objectives set by the Board.

The CCGNC Committee and the Board recognize that the Company operates in a highly competitive environment when it comes to recruiting and retaining executives with high calibre skills and experience and that recruiting and retaining qualified personnel is critical to the Company's success. However, the CCGNC Committee and Board also recognize the uncertain capital markets for junior resource issuers and the need to balance competitive executive compensation packages against available cash resources.

Based on individual and overall corporate performance and taking into consideration bonuses paid to executive officers by peer group companies, the CCGNC Committee did recommend discretionary cash bonuses for the Company's NEOs in 2021 which were adopted and approved by the Board. Given the increase in the annual base fee paid to the Company's CFO effective January 1, 2021, no additional discretionary bonus was paid to the CFO for fiscal 2021. See

the table of compensation, excluding compensation securities, under the heading “*Director and Named Executive Officer compensation, excluding compensation securities*” above for details of the discretionary cash bonuses paid to the Company’s NEOs during the 2020 and 2021 financial years.

3. Option Based Awards

Stock options are an important part of the Company’s long-term incentive strategy for its executive officers, permitting them to participate in any appreciation of the market value of the Company’s shares over a stated period of time, and are intended to reinforce commitment to long-term growth and shareholder value. Stock options reward overall corporate performance, as measured through the price of the Company’s shares and enable executives to acquire and maintain a significant ownership position in the Company. Stock options also represent an additional form of compensation to the Company’s Named Executive Officers without directly impacting the Company’s cash resources. Directors, employees and consultants of the Company are also eligible to participate in the Company’s Stock Option Plan to receive grants of stock options.

Individual stock options are granted by the Board based on recommendations from the CCGNC Committee and the size of the options is dependent on, among other things, each officer’s level of responsibility, authority and importance to the Company and the degree to which such officer’s long term contribution to the Company will be crucial to its long-term success.

Stock options are normally granted by the Board when an executive officer first joins the Company based on his or her level of responsibility within the Company. Additional grants may be made periodically to ensure that the number of options granted to any particular officer is commensurate with the officer’s level of ongoing responsibility within the Company and to provide an additional form of non-cash compensation. The CCGNC Committee and Board will also evaluate the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering further grants. Options are usually priced at the closing trading price of the Company’s shares on the business day immediately preceding the date of grant and the current policy of the CCGNC Committee and Board is that options expire two to five years from the date of grant.

See the table of compensation securities, under the heading “*Stock Options and Other Compensation Securities*” above for details of the stock options granted to the Company’s Named Executive Officers during the financial year ended March 31, 2021. See also Part 3 “THE BUSINESS OF THE MEETING – *Annual Ratification of Stock Option Plan*” above for details of the material terms of the Company’s Stock Option Plan.

Other than as described above there are no other perquisites provided to the Named Executive Officers.

Pension Disclosure

Currently, the Company does not have any pension, retirement or deferred compensation plans, including defined contribution plans.

PART 6 – AUDIT COMMITTEE

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators ("NI 52-110") requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with the Company's external auditor as set forth below.

1. The Audit Committee Charter

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Exhibit "A" to this Information Circular.

2. Composition of Audit Committee

The Company's audit committee is currently comprised of three directors, Darren Blasutti (Chair), Peter McRae and Jeffrey O'Neill. All three members of the Company's audit committee are considered "independent" as that term is defined in applicable securities legislation.

All three members also have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

3. Relevant Education and Experience

All of the audit committee members are business persons with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor.

Mr. Blasutti is currently the President and Chief Executive Officer of Americas Gold and Silver Corporation (TSX; NYSE-American), a position he has held for over nine years both at Americas Gold and Silver Corporation and in its predecessor companies. He was the Senior Vice President of Corporate Development for Barrick Gold Corporation until January 2011. At Barrick Gold Corporation, he reported to the Chief Executive Officer and played a lead role in the strategic development of Barrick Gold Corporation for over 13 years, during which time he executed over 25 gold mining transactions including the acquisition of Homestake Mining Company and Placer Dome Inc. and the consolidation of the world class Cortez property from Rio Tinto. Mr. Blasutti is a member of the Chartered Professional Accountants Canada and was previously at PricewaterhouseCoopers LLP where he planned, supervised and managed audits for a variety of clients.

Peter McRae, B.S. in finance and J.D., is Senior Vice President, Corporate Affairs of Americas Gold and Silver Corporation (TSX; NYSE-American). He has led the execution of this company's corporate development and financing efforts. Previously, Mr. McRae was an attorney at Weil, Gotshal & Manges LLP, based in New York, in the firm's corporate department representing some of the largest organizations and private equity firms in the world. Peter is a member of the New York and Ontario Bars and holds a certificate in Mining Law.

Jeffrey O'Neill is President and owner of JMO Enterprises Ltd., a private consulting firm specializing in acquiring mineral exploration projects in Canada and the USA. From 2007 to 2013 Mr. O'Neill acted as Regional Sales Manager, Western Canada, for Primus Business Solutions. In 2004, Jeff co-founded Momentum Conferencing Solutions, the then largest Canadian reseller of voice collaboration solutions, and acted as Vice President, Sales until 2007.

4. Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year ended March 31, 2021, the Board has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

5. Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year ended March 31, 2021, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

6. Pre-Approval Policies and Procedures

All non-audit services which are proposed to be provided by the Company's external auditor are subject to the prior approval of the audit committee, provided that the audit committee may delegate to one or more independent members the authority to approve non-audit services if such services are presented to the full audit committee at its next scheduled meeting. The audit committee may also satisfy the requirement for pre-approval of non-audit services if (i) the aggregate amount of all non-audit services that were not pre-approved is reasonably expected to constitute no more than 5% of the total amount of fees paid by the Company and its subsidiaries to the external auditor during the applicable fiscal year, (ii) the services are brought to the attention of, and approved prior to completion of the audit by, the audit committee or by one or more of its members to whom authority to grant such approval has been delegated, or (iii) by adopting specific policies and procedures for the engagement of non-audit services provided that such policies and procedures are detailed as to the particular service, the audit committee is informed of each non-audit service and the procedures do not include delegation of the audit committee's responsibilities to management.

7. External Audit Service Fees (By Category)

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to Davidson & Company LLP, the Company's auditor, for services rendered to the Company in each of the last two fiscal years, by category, are as follows:

Financial Period Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
March 31, 2021	\$25,305	Nil	Nil	Nil
March 31, 2020	\$25,305	Nil	Nil	Nil

8. Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, as a venture issuer, is not required to comply with Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) establishes corporate governance guidelines, which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices. As a “venture issuer” the Company is required to make such disclosure with reference to the requirements of Form 58-101F2, which disclosure is set forth below.

Board of Directors

Structure and Composition

The Board is currently composed of five directors.

NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board is responsible for determining whether a director is an independent director. Of the current directors, Rick Trotman is not an independent director because of his position as President and Chief Executive Officer. However, Darren Blasutti, Peter McRae, Jeffrey O’Neill and William Wulftange are considered to be independent directors of the Company as they have no ongoing interest or material relationship with the Company other than their shareholdings and stock options in the Company and serving as directors.

Accordingly, the Board is comprised of a majority of independent Board members.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees (see “Committees of the Board of Directors” below). In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate and exploration budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders’ equity interests through the optimum utilization of the Company’s capital resources. The Board also takes responsibility for identifying the principal risks of the Company’s business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company’s development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

The Board delegates to management, through the Company’s executive officers, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

The Board is currently comprised of a majority of independent directors thus providing the independent directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he

reasonably considers it warranted under the circumstances and the “independent” directors have the ability to meet independently of management whenever deemed necessary.

Directorships

As of the date of this Information Circular, the directors of the Company are currently directors and/or executive officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows.

Name of Director	Name of Other Reporting Issuer	Market/Tier	Position	Period
Darren Blasutti	Americas Gold and Silver Corporation	TSX NYSE-American	President and CEO	Since 2011 (with predecessor companies)
Richard Trotman	Kenorland Minerals Ltd. Kingfisher Metals Corp.	TSXV TSXV	Director Director	Since August 2019 Since March 2021
Peter McRae	Americas Gold and Silver Corporation	TSX NYSE-American	SVP, Corporate Affairs, CLO and Corporate Secretary	Since November 2011 (with predecessor companies)
Jeffrey O’Neill	Northern Lion Gold Corp. Sanibel Ventures Corp.	TSXV TSXV	Director Director	Since May 2020 Since June 2018
William Wulftange	Ensign Minerals Inc.	Reporting Issuer only	Vice President Exploration	Since February, 2020

The above information has been provided by the directors and has not been independently verified by the Company.

Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company’s business plan and to meet performance goals and objectives.

The Board itself must comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

The Board has also adopted a written Code of Business Conduct and Ethics (the “**Code**”) to assist all Company personnel in making decisions regarding the affairs of the Company. The Code establishes certain standards and procedures to be complied with by all directors, officers, employees and consultants of the Company relating to, among other things, financial reporting and disclosure, compliance with laws, conflicts of interest, stock trading and use of material information, environmental standards and safety, and use of email and Internet with a view to conducting the Company’s business and affairs honestly and with integrity, using high ethical standards. Any breach of the Code is reportable immediately to the Company’s Corporate Secretary or the Chair of the Audit Committee, with a written report made to the Board annually (or otherwise upon request) summarizing all complaints received during the previous year, all outstanding unresolved complaints, how such complaints are/were handled, and the results of any investigation and any corrective actions taken.

Nomination and Assessment

The Board of the Company has appointed a Joint Compensation and Corporate Governance and Nominating Committee (the “**CCGNC Committee**”) comprised of Peter McRae (Chair), Darren Blasutti, and William Wulftange, all independent directors. The CCGNC is responsible for, among other things, assisting the Board in determining the appropriate size of the Board, the necessary competencies and skills of the Board as a whole and of the individual directors and making recommendations for new nominees to the Board. The CCGNC also makes recommendations to

the Board on the compensation of directors and NEOs (see “Compensation” below) as well as being responsible for establishing the Company’s corporate governance policies and procedures and monitoring compliance with such policies and procedures. See also “Committees of the Board of Directors” below.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company’s size and current operations.

The skills and knowledge of the Board as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies, particularly mineral resource companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management’s assistance. Board members have full access to the Company’s records. Reference is made to the table under the heading “*Election of Directors*” in Part 3 “THE BUSINESS OF THE MEETING” for a description of the current principal occupations of the Company’s Board.

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company’s current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

Committees of the Board of Directors

At the present time, the Board of the Company has appointed three formal committees, being the Audit Committee, the CCGNC Committee and the Health, Safety & Environmental (HSEC) Committee.

The Audit Committee is comprised of Darren Blasutti (Chair), Peter McRae and Jeffrey O’Neill and is primarily responsible for the policies and practices relating to integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company’s assets; reliability of information; and compliance with policies and laws. See Part 6 “AUDIT COMMITTEE” for further information regarding the mandate of the Company’s audit committee, its specific authority, duties and responsibilities, as well as the Audit Committee Charter.

The CCGNC Committee is comprised of Peter McRae (Chair), Darren Blasutti, and William Wulfange, all independent directors, and is primarily responsible for advising the Board on compensation and human resources principles, as well as related policies, programs and practices designed to achieve the strategic goals and financial objectives of the Company. The CCGNC also makes recommendations to the Board on nominees for new directors and compensation of directors and NEOs. See “Nomination and Assessment” above and “Compensation” below. The CCGNC is also responsible for establishing the Company’s corporate governance policies and procedures and monitoring compliance with such policies and procedures.

The HSEC Committee is comprised of William Wulfange (Chair), Rick Trotman and Jeffrey O’Neill and is primarily responsible for advising the Board on review and establishment of policies related to health, safety and environmental matters.

Compensation

The CCGNC Committee is responsible for, inter alia, making recommendations to the Board on all forms of compensation (including long-term incentive in the form of stock options) to be granted to the Company’s executive officers and to the directors to ensure such arrangements reflect the responsibilities and risks associated with each position. See the heading “*Oversight and Description of Director and Named Executive Officer Compensation*” in Part 4 “STATEMENT OF EXECUTIVE COMPENSATION – VENTURE ISSUER” of this Information Circular for a discussion of the Company’s philosophy, objectives and processes with respect to executive compensation.
