GENERAL INFORMATION

The information contained in this Information Circular, unless otherwise indicated, is as of September 28, 2020.

This Information Circular is being mailed by management of the Company to everyone who was a shareholder of record of the Company on September 28, 2020 (the "**Record Date**"), which is the date that has been fixed by the Board of Directors of the Company (the "**Board**") as the record date to determine the shareholders who are entitled to receive notice of and to vote at the Meeting.

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of management for use at the annual general meeting of the shareholders of the Company that is to be held on Tuesday, November 10, 2020 at 10:00 a.m. (Vancouver time) at Main Boardroom, Suite 615 – 800 West Pender Street, Vancouver, BC V6C 2V6. The solicitation of proxies will be primarily by mail. Certain employees, officers or directors of the Company may also solicit proxies by telephone, email or in person. The cost of solicitation will be borne by the Company.

As referenced in the Notice of Meeting, as part of its efforts to reduce the spread of COVID-19 the Company may change the date, time, location and/or format of the Meeting to electronic or virtual. The Company will issue a press release announcing any such change and take all reasonable steps necessary to inform all parties involved in the proxy infrastructure, including intermediaries and the Company's transfer agent, of the change. The

Company encourages all shareholders to vote as early as possible and also to monitor the Company’s public filings on SEDAR for any changes to Meeting arrangements.

This year, as described in the notice and access notification (the “**Notice and Access Notice**”) mailed to shareholders, the Company will deliver the Meeting Materials (as defined below) to Shareholders by posting the Meeting Materials on <https://barksdaleresources.com/index.php/investors#agm> . The Meeting Materials will be available on this website as of October 6, 2020, and will remain on the website for one full year thereafter. The Meeting Materials will also be available on SEDAR at www.sedar.com as of October 6, 2020. See “Notice and Access” below.

*These securityholder materials are being sent to both registered and non-registered owners of the Company’s common shares (each a “**Share**”). If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities laws from the Intermediary (as defined below) holding the Shares on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.*

Under the Company’s articles (the “**Articles**”), at least one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 5% of the issued Shares entitled to vote must be present at the Meeting before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, the Company will reschedule the Meeting.

PART 1 – VOTING

HOW A VOTE IS PASSED

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or otherwise required, in which case each shareholder is entitled to one vote for each Share held.

In order to approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”) unless the motion requires a special resolution in which case a majority of 66 2/3% of the votes cast will be required (a “**special resolution**”).

WHO CAN VOTE?

Registered shareholders whose names appear on the Company’s central securities register maintained by Computershare Investor Services Inc. (“**Computershare**”), the Company’s registrar and transfer agent, as of the close of business on September 28, 2020, the Record Date, are entitled to attend and vote at the Meeting. Each Share is entitled to one vote.

If your Shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “Non-Registered Shareholders” set out below.

HOW TO VOTE

If you are a registered shareholder and eligible to vote, you can vote your shares in person at the Meeting or by signing and returning the accompanying form of proxy (the “**Proxy**”) by mail in the return envelope provided or vote by telephone or using the Internet as indicated on the form. Please see “Registered Shareholders” below.

If your shares are not registered in your name but are held by a nominee (usually a bank, trust company, securities broker or other financial institution), please see “Non-Registered Shareholders” below.

REGISTERED SHAREHOLDERS

Voting Instructions:

- complete, date and sign the Proxy and return it to Computershare by mail or hand delivery to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1.
- using the telephone, call 1-866-732-VOTE (8683) toll free and follow the prompts. You will need your 15 digit control number found at the bottom of the first page of the Proxy to vote by telephone.
- log on to Computershare's website at www.investorvote.com and following the instructions given on the website. You will need to insert your 15 digit control number found at the bottom of the first page of the Proxy to vote by the Internet.

Whichever method you choose, the Proxy must be received or voting instructions completed at least forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment thereof. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

If you plan to vote in person at the Meeting do NOT complete and return the Proxy. Instead, you will need to register with Computershare when you arrive at the Meeting and your vote will be taken and counted at the Meeting. If your Shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer's authority should be presented at the Meeting.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders are "non-registered shareholders" ("**Non-Registered Holders**") because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Shares (including, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company has distributed copies of the Notice of Meeting, the Notice and Access Notice, this Information Circular and the Proxy or voting instruction form, as applicable, (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. This year, the Company has decided to use notice and access to deliver the Meeting Materials to Shareholders. The Meeting Materials will be available on <https://barksdaleresources.com/index.php/investors#agm> as of October 6, 2020, and will remain on the website for one full year thereafter. The Meeting Materials will also be available on SEDAR at www.sedar.com as of October 6, 2020. All Shareholders will receive a Notice and Access Notice which will contain information on how to obtain electronic and paper copies of the Meeting Materials in advance of the Meeting. See "Notice and Access" below.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders and seek voting instructions unless in the case of certain proxy-related materials the Non-Registered Holder has waived the right to receive them. The majority of Intermediaries now delegate responsibility for obtaining instructions from Non-Registered Holders to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form or "VIF" to Non-Registered Holders and asks Non-Registered Holders to return the VIF to Broadridge in accordance with its instructions. Alternatively, where applicable, a Non-Registered Holder may go online to www.investorvote.com or call 1-866-732-VOTE (8683) toll free to vote or return the completed and signed VIF directly to Computershare as provided above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Shares they beneficially own. However, without specific voting instructions, Intermediaries and their agents and nominees are prohibited from voting shares for their clients. **Accordingly, each Non-Registered Shareholder should ensure that voting instructions**

are communicated to the appropriate party well in advance of the Meeting so that your nominee has enough time to submit your instructions to us.

A Non-Registered Holder cannot use the VIF provided to vote directly at the Meeting. Should a Non-Registered Holder wish to attend and vote at the Meeting in person, the Non-Registered Holder must insert his or her name (or the name of such other person as the Non-Registered Holder wishes to attend and vote on his or her behalf) in the blank space provided for that purpose on the VIF and return the completed VIF in accordance with the instructions provided well in advance of the Meeting. If you bring your VIF to the Meeting, your vote will NOT count.

Only registered shareholders have the right to revoke a proxy. Non-Registered Holders of Shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out below. See “Revocation of Proxies”.

You May Choose Your Own Proxyholder

The persons named in the Proxy are directors or officers of the Company. **YOU HAVE THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT ON YOUR BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS. TO EXERCISE THIS RIGHT, YOU MUST STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AS PROXYHOLDERS AND INSERT THE NAME OF YOUR NOMINEE IN THE SPACE PROVIDED OR COMPLETE ANOTHER PROXY.**

Your Voting Instructions

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an “X” in the appropriate space. On any poll requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the Shares represented by the Proxy in favour of the motion.**

The Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting and other matters which may properly come before the Meeting. **It is the intention of the persons designated in the Proxy to vote in accordance with their best judgement on such matters or business.** At the time of printing of this Information Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting.

The Proxy must be dated and signed by the shareholder or the shareholder’s attorney authorized in writing. In the case of a corporation, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be deposited with Computershare in accordance with the above instructions before the time set out in the Proxy. Non-Registered Holders must deliver their completed VIF in accordance with the instructions given by the Intermediary that forwarded the VIF to them.

In order to be effective, a Proxy must be deposited at the office of Computershare, no later than 10:00 a.m. (Vancouver Time) on Friday, November 6, 2020 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting. The deadline for the deposit of Proxies may be waived by the Chairman of the Meeting at his or her sole discretion without notice. Failure to properly complete or deposit a Proxy may result in its invalidation.

Revocation of Proxies

Only registered shareholders have the power to revoke Proxies previously given. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) executed by the shareholder or by the shareholder's attorney authorized in writing and in the case of a corporation, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and either delivered at any time up to the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, to:

Barksdale's Head Office		Computershare Investor Services Inc.	
Suite 615 – 800 West Pender Street Vancouver, B.C. V6C 2V6 Canada	Or	8 th Floor - 100 University Avenue Toronto, Ontario M5J 2Y1	
Or deposited with the Chairman of the Meeting on the day of the Meeting, prior to the hour of commencement			

Non-Registered Holders of Shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out above.

UNITED STATES SHAREHOLDERS

This solicitation of proxies involves securities of a corporation incorporated in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of the provinces of Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), the majority of its directors and executive officers are residents of Canada and a

significant portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Only those shareholders of record on September 28, 2020 will be entitled to vote at the Meeting or any adjournment thereof.

- (c) was subject to an event that resulted, after the director or executive officer ceased to be director or executive officer, in the company being subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or

Mr. O'Neill is a director of Sanibel Ventures Corp., a capital pool company that was suspended from trading by the TSX Venture Exchange (the "TSXV") on July 30, 2020 for failure to complete a qualifying transaction within 24 months of its listing.

Penalties or Sanctions

As of the date of this Information Circular, no proposed nominee for election as a director of the Company is, or has been, subject to any penalties or sanctions imposed by a court relating to Canadian securities legislation or by a Canadian securities regulatory authority or has entered into a settlement agreement with a Canadian securities regulatory authority

Personal Bankruptcy

As of the date of this Information Circular, no proposed nominee for election as a director of the Company has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Conflicts of Interest

Certain of the directors are currently, or may in the future become, involved in managerial or director positions with other issuers, both reporting and non-reporting, whose operations may, from time to time, be in direct competition with those of the Company or with entities which may, from time to time, provide financing to, or make equity investments in, competitors of the Company.

The directors are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, the directors will consider, among other things, the degree of risk to which the Company may be exposed relative to the potential reward and its financial position at that time.

In addition, the directors of the Company also have other employment or other business or time restrictions placed on them and accordingly will only be able to devote part of their time to the business and affairs of the Company.

Save as aforesaid, to the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests.

Advance Notice Policy

The Articles contain advance notice provisions with a view to providing shareholders, directors and management of the Company with a fair and transparent procedure for nominating directors. The advance notice provisions establish a deadline on or before which holders of record of Shares must submit, in writing, director nominations to the Company prior to any annual general or special meeting of shareholders, and the information that such holder(s) must include with such nominations in order for any director nominee to be eligible for election at any annual general or special meeting of shareholders. A copy of the Company's Articles are available for review under the Company's profile on SEDAR at www.sedar.com. As of the date of this Information Circular, the Company has not received notice of any additional director nominations in connection with the Meeting.

APPOINTMENT OF THE AUDITOR

Davidson & Company LLP, Chartered Professional Accountants, were first appointed as auditor of the Company on July 5, 2017. See also Part 6 "AUDIT COMMITTEE – *External Auditor Service Fees*".

At the Meeting the shareholders will be asked to consider, and if deemed advisable, to pass the following resolution with respect to the appointment of auditors for the Company:

“RESOLVED, as an ordinary resolution, THAT that Davidson & Company LLP, Chartered Professional Accountants, be appointed as the Company's auditor for the ensuing year, at a remuneration to be fixed by the Board of Directors.”

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the above resolution with respect to the appointment of Davidson & Company LLP as the auditor of the Company for the ensuing year and authorizing the Board to fix the remuneration to be paid to the auditor.

RENEWAL OF SHAREHOLDER RIGHTS PLAN

At the Meeting, shareholders will be asked to consider and, if thought advisable, pass with or without variation, an ordinary resolution (the “**Rights Plan Resolution**”) to approve the renewal and reconfirmation of the Company’s shareholder rights plan agreement (the “**Rights Plan**”) dated effective November 14, 2017 (the “**Effective Date**”) between the Company and Computershare Trust Company of Canada (the “**Rights Agent**”).

Background

The Rights Plan was first approved by the Company’s shareholders at the Company’s annual meeting of shareholders held on December 14, 2017. The Rights Plan will expire at the termination of the Meeting unless the Rights Plan Resolution is passed.

In order for the Company to continue to have a shareholder rights plan beyond the termination of the Meeting, the Rights Plan Resolution must be passed by an affirmative vote of a majority of votes cast at the Meeting by Independent Shareholders (as defined in the Rights Plan). In effect, all Shareholders will be considered Independent Shareholders provided that they (or any of their affiliates or anyone with which they are acting jointly or in concert) are not at the time of the Meeting, making a takeover bid for Shares. Thereafter, the Rights Plan must be reconfirmed every three years at the annual meeting of shareholders by an affirmative vote of a majority of the votes cast by Independent Shareholders at that meeting.

On May 9, 2016, the Canadian Securities Administrators adopted amendments to Canada’s takeover bid regime in National Instrument 62-104 – *Take-Over Bids and Issuer Bids* (“**NI 62-104**”). The key changes to the takeover bid rules included the following:

- (a) the previous 35-day minimum bid period for takeover bids was extended to 105 days, which a board of directors can shorten to as little as 35 days in certain cases;
- (b) non-exempt takeover bids are subject to a mandatory minimum tender condition of over 50% of outstanding shares, other than shares held by a bidder and its joint actors; and
- (c) the deposit period must be extended by 10 days once the minimum tender requirement has been met and all other bid terms and conditions are satisfied or waived.

However, these new takeover bid rules did not address creeping takeover bids where the acquisition of effective control occurs through a number of share purchases over time.

Under current securities legislation, an offeror may obtain control or effective control of a corporation by way of a creeping takeover bid without paying full value, without obtaining shareholder approval and without treating all shareholders equally. For example, an acquiror could acquire blocks of shares by private agreement from one or a small group of shareholders at a premium to market price, which premium is not shared by the other shareholders. In addition, a person could slowly accumulate shares through stock exchange acquisitions which may result, over time, in an acquisition of control or effective control without paying a control premium or fair sharing of any control premium amongst all shareholders.

The Board has determined, after considering the new takeover bid rules, that it is advisable for the Company to continue to have a shareholder rights plan to address creeping takeover bids. The Company believes that the Rights Plan preserves the fair treatment of shareholders, is consistent with current best Canadian corporate practice and addresses institutional investor guidelines. The Company is not proposing any amendments to the Rights Plan at the Meeting.

Objectives of the Rights Plan

The purpose of the Rights Plan is to prevent, to the extent possible, a creeping takeover bid of the Company to ensure that (i) every shareholder will have an equal opportunity to participate in such a bid, and (ii) all Shareholders are treated fairly in connection with such a bid. The Rights Plan is not intended to entrench the Board or avoid a bid for control that is fair and in the best interests of Shareholders. For example, shareholders may tender to a bid which meets the Permitted Bid criteria without triggering the Rights Plan, regardless of the acceptability of the bid to the Board. Furthermore, even in the context of a bid that does not meet the Permitted Bid criteria, the Board must act honestly and in good faith with

a view to the best interests of the Company and its Shareholders. Rather the Rights Plan seeks to discourage coercive or unfair creeping takeover bids by creating significant potential dilution of any Shares which may be acquired or held by a takeover acquiror if such Shares are not acquired in a manner permitted by the Rights Plan. Under the Rights Plan, holders of Shares who are not related to the acquiror will be entitled to exercise Rights (as defined below) issued to them under the Rights Plan and to acquire Shares at a substantial discount to prevailing market prices, whilst the acquiror and the persons related to the acquiror will not be entitled to exercise any Rights under the Rights Plan.

Summary of Rights Plan

The following is a summary of the principal terms and general operation of the Rights Plan. This summary is qualified in its entirety by reference to the text of the Rights Plan, a copy of which is available for review under the Company's profile on SEDAR at www.sedar.com. Capitalized terms not otherwise defined in this section shall have the same meaning ascribed to such terms in the Rights Plan.

Term

The Rights Plan became effective on November 14, 2017 and is subject to the approval of the Rights Plan Resolution by a majority of votes cast by Independent Shareholders at the Meeting.

If the Rights Plan Resolution is not approved at the Meeting, the Rights Plan and all Rights issued pursuant thereto will be terminated.

If the Rights Plan Resolution is approved at the Meeting, the Rights Plan will continue to remain in effect. Thereafter, if the Rights Plan is not reconfirmed by an ordinary resolution of Independent Shareholders every three years at the applicable annual meeting of Shareholders, the Rights Plan and all outstanding rights issued under the Rights Plan (the "**Rights**") will terminate on the applicable meeting date (the latest such meeting date to occur, the "**Expiration Time**").

Issue of Rights

Pursuant to the Rights Plan, one Right was issued and attached to each outstanding Share of the Company as of the Effective Date and one Right was issued for each additional Share issued thereafter and prior to the earlier of the Separation Time (as defined below) and the Expiration Time.

Each Right entitles the holder thereof to purchase from the Company, on the occurrence of certain events, one Share at a price of \$20.00 (the "**Exercise Price**"), subject to adjustment as provided in the Rights Plan. The Rights will not be exercisable until the Separation Time.

Exercise of Rights

Until the Separation Time (or the earlier of the termination or expiration of the Rights), the Rights will trade together with the Shares and will be evidenced by certificates for the associated Shares. After the Separation Time, the Rights will be exercisable and transferable separately from the Shares. See "*Certificates and Transferability*" below. "**Separation Time**" means the earlier of: (1) the close of business on the tenth trading day after the earliest of (i) the first day of a public announcement by an Acquiring Person (as defined below) that such person has become an Acquiring Person, (ii) the date of the commencement of or first public announcement of the intent of any person (other than the Company or any subsidiary or affiliate of the Company) to commence a takeover bid (other than a Permitted Bid or Competing Permitted Bid (as defined below)), and (iii) the date on which a Permitted Bid or Competing Permitted Bid ceases to be such; and (2) such later date as may be determined in good faith by the Board.

Acquiring Person and Flip-in Event

An acquiring person (an "**Acquiring Person**") is, generally, a person who becomes the beneficial owner or 20% or more of the outstanding Shares of the Company (including any Shares held by such Acquiring Person's affiliates and associates or persons acting jointly or in concert with the Acquiring Person). The Rights Plan excludes certain persons from the definition of Acquiring Person including (i) any person who becomes the beneficial owner of 20% or more of the Shares as a result of one or more of any combination of certain enumerated transactions (including by way of a Permitted Bid) provided that if such person's beneficial ownership thereafter increases by more than 1% of the number of Shares outstanding (other than pursuant to one or any combination of certain enumerated transactions), then, as of the date such

person becomes the beneficial owner of such additional Shares, such person shall become an “Acquiring Person”, (ii) for a period of ten days after the Disqualification Date (as defined below), any person who becomes the beneficial owner of 20% or more of the outstanding Shares as a result of such person becoming disqualified from relying on certain enumerated exclusions to the definition of “Beneficial Owner” (as defined in the Rights Plan) solely because such person or the beneficial owner of such Shares is making or has announced an intention to make a takeover bid, either alone or by acting jointly or in concert with any other person, or (iii) an underwriter or member of a banking or selling group that becomes the beneficial owner of 20% or more of the Shares in connection with a distribution of securities of the Company. For the purposes of this section, “**Disqualification Date**” means the first date of public announcement that any person is making or has announced an intention to make a takeover bid. The term “Acquiring Person” does not include the Company or its subsidiaries or affiliates.

A “**Flip-in Event**” means a transaction or event pursuant to which a person becomes an Acquiring Person and any Rights beneficially owned by the Acquiring Person upon the occurrence of a Flip-in Event will be void, as will any Rights beneficially owned by the Acquiring Person’s affiliates or associates (and any persons acting jointly or in concert with the Acquiring Person or such affiliates or associates), and transferees thereof. After the occurrence of a Flip-in Event, each Right (other than those that are void) will permit the holder to purchase Shares with a total market value (generally the average daily closing price per Share for the 20 consecutive trading days immediately preceding the Flip-in Event) of \$40.00 on payment of \$20.00 (i.e. a discount of 50% of the market price), subject to anti-dilution adjustments.

Beneficial Ownership

In general, a person is deemed to beneficially own Shares actually held by others in circumstances where those holdings are or should be grouped for purposes of the Rights Plan including holdings by the person’s affiliates, associates and any other person with which the person is acting jointly or in concert.

Also included are securities which the person or any of the person’s affiliates or associates has the right to acquire within 60 days. The definition of “beneficial ownership” contains several exclusions whereby a person is not considered to “beneficially own” a security. There are also exemptions from the deemed “beneficial ownership” provisions for certain Shareholders, including investment managers whose ordinary business includes managing funds for others, trust companies (acting in their capacities as trustees and administrators), statutory bodies whose business includes the management of funds (including for employee benefit plans, pension plans and certain insurance plans), administrators of registered pension funds or plans and a Crown agent or agency, provided that such Shareholder is not then making or has not then announced an intention to make a takeover bid alone or jointly or in concert with any other person, other than an offer to acquire shares or other securities pursuant to a distribution by the Company or by means of ordinary market transactions through the facilities of a stock exchange or organized over-the counter market.

Permitted Bid and Competing Permitted Bid Requirements

A bidder can make a takeover bid and acquire Shares of the Company without triggering a Flip-In Event under the Rights Plan if the takeover bid qualifies as a “**Permitted Bid**”. A Permitted Bid is a takeover bid that is made by means of a takeover bid circular and complies with the following conditions:

- (a) the bid is made to all registered holders of Shares (other than Shares held by the offeror);
- (b) the offeror agrees that no Shares will be taken up or paid for under the bid for at least 105 days following the commencement of the bid, or such shorter minimum period that a takeover bid (that is not exempt from any of the requirements of Division 5 (Bid Mechanics) of NI 62-104) must remain open for deposits of securities thereunder, in the applicable circumstances at such time, pursuant to NI 62-104;
- (c) no Shares will be taken up or paid for unless more than 50% of the outstanding Shares held by Shareholders other than the offeror and certain related parties have been deposited pursuant to the bid and not withdrawn;
- (d) the offeror agrees that the Shares may be deposited to and withdrawn from the takeover bid at any time before such common shares are taken up and paid for; and
- (e) if on the date specified for take-up and payment, the conditions in paragraphs (b) and (c) above are satisfied, the offeror shall make a public announcement of that fact and the bid shall remain open for at least 10 additional business days to permit the remaining Shareholders to tender their Shares.

The Rights Plan allows for a competing Permitted Bid (a “**Competing Permitted Bid**”) to be made while a Permitted Bid is in existence. A Competing Permitted Bid must satisfy all the requirements of a Permitted Bid, provided that a Competing Permitted Bid is only required to remain open until the last day of the minimum initial deposit period and the mandatory 10 day extension period that such takeover bid must remain open for deposits of securities thereunder pursuant to NI 62-104 after the date of the Competing Permitted Bid. Partial Permitted Bids and partial Competing Permitted Bids, which allow a bidder to make a takeover bid for less than 100% of the outstanding Shares, are permitted under the Rights Plan.

Lock-up Agreements

A bidder may enter into lock-up agreements with Shareholders (“**Locked-up Persons**”) whereby such Shareholders agree to tender their Shares to a takeover bid (the “**Subject Bid**”) without a Flip-in Event occurring provided that the agreement contains a provision that either (i) permits the Locked-up Person to withdraw the Shares to tender to another takeover bid or to support another transaction where the price or value per Share under such other bid or transaction is higher than the price or value per Share offered under the Subject Bid, or (ii) permits the Locked-up Person to withdraw the Shares to tender to another takeover bid or to support another transaction that contains an offering price that exceeds the offering price contained in the Subject Bid by a specified minimum amount not exceeding 7% of the offering price of the Subject Bid. A lock-up agreement may contain a right of first refusal or require a period of delay (or other similar limitation) to give a bidder an opportunity to match a higher price in another transaction as long as the Lock-up Person can accept another bid or tender to another transaction.

Any lock-up agreement must be made available to the Company and the public and cannot contain “break up” fees, “top up” fees, penalties, expenses or other amounts that exceed in the aggregate the greater of: (i) 2.5% of the price or value payable under the Subject Bid to a Locked-up Person; and (ii) 50% of the amount by which the price or value payable to a Locked-up Person under another takeover bid or transaction exceeds what such Locked-up Person would have received under the Subject Bid, if the Locked-up Person fails to deposit or tender Shares to the Subject Bid or withdraws Shares previously tendered thereto in order to deposit such Shares to another takeover bid or support another transaction.

Certificates and Transferability

Prior to the Separation Time, the Rights will be evidenced by a legend imprinted (or deemed to be imprinted) on certificates for Shares issued from and after the Effective Date and are not transferable separately from the associated Shares. From and after the Separation Time and prior to the Expiration Time, the Rights will be evidenced by Rights certificates which will be transferable and traded separately from the Shares.

Waiver

The Board, acting in good faith, may, prior to the occurrence of a Flip-in Event, waive the application of the Rights Plan to a particular Flip-in Event (an “**Exempt Acquisition**”) where the takeover bid is made by a takeover bid circular to all holders of Shares. Where the Board waives the Rights Plan for one takeover bid, the waiver will also apply to any other takeover bid for the Shares made by a takeover bid circular to all holders of Shares prior to the expiry of any other bid for which the Rights Plan has been waived.

Redemption

Subject to the approval of a majority of the votes cast by Shareholders (or the holders of Rights if the Separation Time has occurred) voting in person and by proxy, at a general meeting of the Shareholders duly called for that purpose, the Board may redeem the Rights at \$0.00001 per Right. Rights shall also be redeemed by the Board without such approval following completion of a Permitted Bid, Competing Permitted Bid or Exempt Acquisition.

Amendments

The Board may amend the Rights Plan with the approval of a majority of the votes cast by Shareholders (or the holders of Rights if the Separation Time has occurred) voting in person and by proxy at a general meeting of the Shareholders duly called for that purpose. The Board without such approval may correct clerical or typographical errors and, subject to approval at the next annual general meeting of the Shareholders (or holders of Rights, as the case may be), may make amendments to the Rights Plan to maintain its validity due to changes in applicable legislation.

The full text of the Rights Plan is available for review under the Company's profile on SEDAR at www.sedar.com.

At the Meeting, Shareholders will be asked to consider, and if deemed advisable, pass the following Rights Plan Resolution, which must be passed by an affirmative vote of a majority of votes cast at the Meeting by Independent Shareholders.

“RESOLVED, as an ordinary resolution, THAT:

1. the renewal and reconfirmation of the Company's shareholder rights plan dated effective November 14, 2017 (the “**Rights Plan**”) between the Company and Computershare Trust Company of Canada, as rights agent, be and is hereby ratified and approved; and
2. any one director or officer of the Company be and is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents, agreements and instruments, and to do all such acts and things as such director or officer may determine to be necessary or advisable to give effect to the foregoing resolution and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such documents, agreements or instruments or the doing of any such act or thing.”

Recommendation of the Board

The Board unanimously recommends that the Shareholders vote in favour of the Rights Plan Resolution.

Unless the Shareholder directs that his or her Shares be otherwise voted or withheld from voting in connection with the approval of the Rights Plan Resolution, the persons named in the enclosed Proxy will vote FOR the approval of the Rights Plan Resolution.

ANNUAL RATIFICATION OF STOCK OPTION PLAN

Policy 4.4 of the **TSXV** specifies that all listed issuers must implement a stock option plan. The Company's current stock option plan, which was adopted on December 13, 2017 (the “**Option Plan**”) is a “rolling” plan as characterized by **TSXV** policy pursuant to which the aggregate number of Shares reserved for issuance thereunder may not exceed, at the time of grant, in aggregate 10% of the Company's issued and outstanding Shares from time to time. **TSXV** policy requires that shareholder approval for “rolling” stock option plans must be obtained annually.

The principal purposes of the Option Plan are to provide the Company with the advantages of the incentive inherent in share ownership on the part of those persons responsible for the success of the Company; to create in those persons a proprietary interest in, and a greater concern for, the welfare and success of the Company; to encourage such persons to remain with the Company; to attract new talent to the Company; and to reduce the cash compensation the Company would otherwise have to pay.

The material terms of the Option Plan are as follows:

1. The number of Shares subject to each option is determined by the Board, or if appointed, by a special committee of directors appointed from time to time by the Board, provided, at the time the options are granted, that:
 - (a) the number of Shares subject to option, in the aggregate, shall not exceed 10% of the Company's then issued shares;
 - (b) no more than 5% of the issued Shares of the Company may be granted to any one optionee in any 12 month period (unless the Company has obtained “disinterested” shareholder approval);
 - (c) no more than 2% of the issued Shares of the Company may be granted to any one consultant in any 12 month period; and
 - (d) no more than an aggregate of 2% of the issued Shares of the Company may be granted to persons employed to provide “investor relations activities” in any 12 month period.

2. The exercise price of the options cannot be set at less than the last closing price of the Company's Shares on the stock exchange on which the Shares of the Company are then listed before the date on which the options are granted by the Company, less the maximum allowable discount from market as may be permitted under the policies of such exchange, if any, or such other minimum exercise price as may be required by such exchange.
3. The options may be exercisable for a period of up to 10 years.
4. All options are non-assignable and non-transferable and, if granted to "insiders" or at an exercise price less than market, will be legended with a four month TSXV hold period commencing on the date the stock options are granted.
5. The options shall be subject to such vesting requirements, if any, as may be determined by the Board from time to time provided that options granted to consultants performing "investor relations activities" must vest in stages over at least 12 months with no more than 1/4 of the options vesting in any three month period.
6. Reasonable topping up of options granted to an individual will be permitted.
7. The option can only be exercised by the optionee and only so long as the optionee is a director, officer, employee or consultant of the Company, any of its subsidiaries or a management company employee or within a reasonable period of time, not to exceed one year, after the optionee ceases to be in at least one of such positions to the extent that the optionee was entitled to exercise the option at the date of such cessation.
8. In the event of death of an optionee, the option previously granted to him or her shall be exercisable as to all or any of the Shares in respect of which such option has not previously been exercised at the date of the optionee's death (including the right to purchase Shares not otherwise vested at such time), by the legal representatives of the optionee at any time up to and including (but not after) a date one year following the date of death of the optionee or the expiry time of the option, whichever occurs first.
9. In the event a take-over bid or tender offer is made for the common shares of the Company, the Board may, subject to the acceptance of the TSXV, permit all options outstanding to become immediately exercisable in order to permit the shares issuable under such options to be tendered to such bid or offer.
10. Disinterested shareholder approval for any reduction in the exercise price of a previously granted option shall be obtained prior to the exercise of such option if the optionee is an "insider" of the Company at the time of the proposed reduction.

The full text of the Option Plan is available for review on SEDAR under the Company's profile at www.sedar.com.

At the Meeting, the shareholders will be asked to consider, and if deemed advisable, to pass the following resolutions:

"RESOLVED, as an ordinary resolution, THAT:

1. the Company's stock option plan adopted December 13, 2017 (the "Option Plan"), be and is hereby ratified, confirmed, authorized and approved;
2. the reservation under the Option Plan of up to a maximum of 10% of the issued shares of the Company, on a rolling basis, as at the time of granting of the stock option pursuant to the Option Plan be and the same is hereby authorized and approved; and
3. any one director or officer of the Company be and is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents, agreements and instruments, and to do all such acts and things as such director or officer may determine to be necessary or advisable to give effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such documents, agreements or instruments or the doing of any such act or thing."

Recommendation of the Board

The Board unanimously recommends that the shareholders vote in favour of ratifying and approving the Option Plan.

Unless the shareholder directs that his or her Shares be otherwise voted or withheld from voting in connection with the approval of the Option Plan, the persons named in the enclosed Proxy will vote FOR the approval of the above resolution.

5. Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year ended March 31, 2020, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

6. Pre-Approval Policies and Procedures

All non-audit services which are proposed to be provided by the Company's external auditor are subject to the prior approval of the audit committee, provided that the audit committee may delegate to one or more independent members the authority to approve non-audit services if such services are presented to the full audit committee at its next scheduled meeting. The audit committee may also satisfy the requirement for pre-approval of non-audit services if (i) the aggregate amount of all non-audit services that were not pre-approved is reasonably expected to constitute no more than 5% of the total amount of fees paid by the Company and its subsidiaries to the external auditor during the applicable fiscal year, (ii) the services are brought to the attention of, and approved prior to completion of the audit by, the audit committee or by one or more of its members to whom authority to grant such approval has been delegated, or (iii) by adopting specific policies and procedures for the engagement of non-audit services provided that such policies and procedures are detailed as to the particular service, the audit committee is informed of each non-audit service and the procedures do not include delegation of the audit committee's responsibilities to management.

7. External Audit Service Fees (By Category)

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to Davidson & Company LLP, the Company's auditor, for services rendered to the Company in each of the last two fiscal years, by category, are as follows:

Financial Period Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
March 31, 2020	25,305	Nil	Nil	Nil
March 31, 2019	23,460	Nil	Nil	Nil

8. Exemption

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, as a venture issuer, is not required to comply with Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") establishes corporate governance guidelines, which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices. As a "venture issuer" the Company is required to make such disclosure with reference to the requirements of Form 58-101F2, which disclosure is set forth below.

1. Board of Directors

Structure and Composition

The Board is currently composed of five directors.

NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board is responsible for determining whether a director is an independent director. Of the current directors, Rick Trotman is not an independent director because of his position as President and Chief Executive Officer. However, Darren Blasutti, Glenn Kumoi, Peter McRae and Jeffrey O’Neill are considered to be independent directors of the Company as they have no ongoing interest or material relationship with the Company other than their shareholdings and stock options in the Company and serving as directors.

Accordingly, the Board is comprised of a majority of independent Board members.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees (see “Committees of the Board of Directors” below). In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate and exploration budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders’ equity interests through the optimum utilization of the Company’s capital resources. The Board also takes responsibility for identifying the principal risks of the Company’s business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company’s development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

The Board delegates to management, through the Company’s executive officers, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

The Board is currently comprised of a majority of independent directors thus providing the independent directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances and the “independent” directors have the ability to meet independently of management whenever deemed necessary.

Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

The Board itself must comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

The Board has also adopted a written Code of Business Conduct and Ethics (the “**Code**”) to assist all Company personnel in making decisions regarding the affairs of the Company. The Code establishes certain standards and procedures to be complied with by all directors, officers, employees and consultants of the Company relating to, among other things, financial reporting and disclosure, compliance with laws, conflicts of interest, stock trading and use of material information, environmental standards and safety, and use of email and Internet with a view to conducting the Company's business and affairs honestly and with integrity, using high ethical standards. Any breach of the Code is reportable immediately to the Company's Corporate Secretary or the Chair of the Audit Committee, with a written report made to the Board annually (or otherwise upon request) summarizing all complaints received during the previous year, all outstanding unresolved complaints, how such complaints are/were handled, and the results of any investigation and any corrective actions taken.

Nomination and Assessment

The Board of the Company has appointed a Joint Compensation and Corporate Governance and Nominating Committee (the “**CCGNC Committee**”) comprised of Glenn Kumoi (Chair), Darren Blasutti, Peter McRae and Jeffrey O'Neill, all independent directors. The CCGNC is responsible for, among other things, assisting the Board in determining the appropriate size of the Board, the necessary competencies and skills of the Board as a whole and of the individual directors and making recommendations for new nominees to the Board. The CCGNC also makes recommendations to the Board on the compensation of directors and NEOs (see “Compensation” below) as well as being responsible for establishing the Company's corporate governance policies and procedures and monitoring compliance with such policies and procedures. See also “Committees of the Board of Directors” below.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current operations.

The skills and knowledge of the Board as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies, particularly mineral resource companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "*Election of Directors*" in Part 3 "THE BUSINESS OF THE MEETING" for a description of the current principal occupations of the Company's Board.

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

Committees of the Board of Directors

At the present time, the Board of the Company has appointed two formal committees, being the Audit Committee and the CCGNC Committee.

The audit committee is comprised of Darren Blasutti (Chair), Glenn Kumoi, Peter McRae and Jeffrey O'Neill and is primarily responsible for the policies and practices relating to integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company's assets; reliability of information; and compliance with policies and laws. See Part 6 "AUDIT COMMITTEE" for further information regarding the mandate of the Company's audit committee, its specific authority, duties and responsibilities, as well as the Audit Committee Charter.

The CCGNC Committee is comprised of Glenn Kumoi (Chair), Darren Blasutti, Peter McRae and Jeffrey O'Neill, all independent directors, and is primarily responsible for advising the Board on compensation and human resources principles, as well as related policies, programs and practices designed to achieve the strategic goals and financial objectives of the Company. The CCGNC also makes recommendations to the Board on nominees for new directors and compensation of directors and NEOs. See "Nomination and Assessment" above and "Compensation" below. The CCGNC is also responsible for establishing the Company's corporate governance policies and procedures and monitoring compliance with such policies and procedures.

Compensation

The CCGNC Committee is responsible for, inter alia, making recommendations to the Board on all forms of compensation (including long-term incentive in the form of stock options) to be granted to the Company's executive officers and to the directors to ensure such arrangements reflect the responsibilities and risks associated with each position. See the heading "*Oversight and Description of Director and Named Executive Officer Compensation*" in the Company's "STATEMENT OF EXECUTIVE COMPENSATION – VENTURE ISSUER" attached as Exhibit "A" to this Information Circular for a discussion of the Company's philosophy, objectives and processes with respect to executive compensation.
